 Beijing

Hu Honghui is a Partner and a senior patent counsel based in the firm's Beijing office.

Honghui is dual qualified both as patent attorney and as attorney-at-law in China. She has abundant experience in prosecuting and litigating patent and technology-related matters, with her technical expertise primarily focusing on chemistry, biotech, pharmaceuticals and food technology.

She excels in advising clients on intricate matters like patent validity analysis, freedom-to-operate and infringement risk assessment. Honghui is a sought-after counsel for her niche in handling complex patent cases of validity and infringement litigations and frequently advises multinational corporations in the pharmaceutical, biotech, and chemistry industries.

Honghui's recent work includes:

- Representing a major player of pharmaceutical industry in patent validity litigations;
- Handling complex patent cases of validity and infringement litigations;
- Providing patent validity analysis and infringement risk assessment for clients in the pharmaceutical, biotech and chemistry industries;
- Advising clients on patent prosecution, patent invalidation proceedings and infringement litigations.

Prior to joining the firm, Honghui worked at a well-known firm with a strong niche in the chemical, biological and pharmaceutical field.
